TO WHOM IT MAY CONCERN

AMBE Consultancy Services, whose registered offices are at Mumbai and Chandigarh has been providing us with recruitment services since 2001.

During the past year, we have recruited through AMBE 5,000 workers. These workers include Carpenters, Masons, Steel Fixers, Labourers, Scaffolders and Plant operatives. They were also instrumental in the recruitment of 450 highly professional staff mainly with civil engineering background. These recruitments were carried out for some of the prestigious projects in Dubai such the Dubai International Airport – Terminal 3, The Snow Dome, Joinery Factory etc.

We are very much satisfied with services rendered by AMBE and do not hesitate to recommend AMBE Consultancy Services for the recruitment of men, whether it is small or big group, skilled labour or professionals.

Yours Sincerely,
For AL NABOODAH LAING O'ROURKE L.L.C
