To whom it may concern,

This is to inform Hyundai Engineering and Construction Co., Ltd. signed a manpower supply contract with AMBE Consultancy Services Private Limited, Mumbai, India in May 2016 and has already conducted personal interview campaigns in India for Al-Zour New Refinery Project PKG 5 as well as LNG Import Terminal Project in Al-Zour, Kuwait. In addition, some manpower has also been mobilized for Sheikh Jaber Al-Ahmad Al-Sabah Causeway Project in Kuwait through AMBE Consultancy Services Private Limited.

Yours sincerely,

Kyung Suk No  
Regional Director & Chief Representative in Kuwait  
Hyundai Engineering and Construction Co., Ltd.
