TO WHOM SO EVER IT MAY CONCERN

This is to certify that Samsung C & T Corporation have been utilizing the service of AMBE Consultancy Services Private Limited, India and their associates PRO SEARCH Recruitment Consultants, UAE since the past many years for their prestigious projects in UAE like Cleveland Clinic, Palm Jebel Ali Bridges etc.

Among the various projects for which Samsung had hired manpower from AMBE and PRO SEARCH, of noteworthy mention is the fact that AMBE and PRO SEARCH have supplied the staff and workers required for the Burj Khalifa Tower in Dubai, for the scope of works that was executed by Samsung as a part of the Samsung – Besix - Arabtec Joint venture which jointly built this famous edifice.

We are completely satisfied with the services provided by them.

Yours Faithfully,

Wang Hyun, Yun
General Manager – HR & Administration
